Climate for Learning

The Alpha Academy is committed to providing a safe, orderly and supportive learning environment where participants feel comfortable sharing and engaging in activities and exercises. Participants share in this commitment by respecting themselves and others, while maintaining a positive attitude. This is accomplished by agreeing to the following:

- I will provide all required academic performance documentation as requested
- I will arrive on time and in an orderly manner prepared to engage and learn
- I will remain on campus for the duration each session unless signed out by a parent
- I will actively participate in all discussions, activities and exercises
- I will be respectful of others during all discussions, activities and exercises
- I will complete all written assignments either during each session or at home as instructed
- I will not engage in or encourage bullying of other students or otherwise provoke conflict
- I will report any conflicts or potential issues to a member of the Alpha Academy staff

Dress Code

The Alpha Academy believes that appropriate dress and grooming contributes to a productive learning environment. The Academy expects participants to give proper attention to personal cleanliness and to wear clothes that are suitable for the activities in which they participate.

Participant's attire and grooming must not present a health or safety hazard to themselves or others or serve as a distraction that would interfere with the educational process. Specific details will be provided in the introductory session.

Electronic Equipment

The Alpha Academy respects the need for certain electronic devices (i.e. cell phones, cameras, etc). However, these devices must be turned off or placed on vibrate before and during all sessions. Absolutely no making or accepting of phone calls, sending or receiving text messages or playing of games will be permitted during the session.

It should also be noted that neither the Alpha Academy nor Cosumnes River College is responsible for the loss or theft of these items.

Photographs and Videotaping

The Alpha Academy staff often videotapes sessions and/or activities and takes a group picture at the close of each. By attending the Academy, participants and parents agree that these videotapes and/or photographs can be used in marketing or promotional material or in future sessions as deemed appropriate.
